

# ACKNOWLEDGEMENTS

As an editorial team we acknowledge and most sincerely thank those mentioned below, for without their dedicated hard work on this book, or behind the scenes moral support, this publication would not have happened.

## WRITERS

Specifically the team sincerely thank the following for their invaluable and essential contribution as researchers and writers of the articles, which form the substance of our story. We are sure they in turn, would thank the many, many contributors who gave so willingly the information for their articles.

## OTHER SUPPORT AND HELP

In addition, we thank those who undertook the Oral History Project, both researchers and interviewees; those who loaned us photographs; those who drew graphics; and our support committee. Like-wise there were many others who contributed time and energy in a variety of ways. We thank you all. We have not knowingly missed anyone out, but if we have, please accept this acknowledgement as our very sincere thanks.
